

Hold a plastic-free party and raise funds to help save whales and dolphins. Their future is your future!

 Your party can be themed or fancy dress but there's just one condition: no single-use plastic!

 Sell tickets or charge an entrance fee - how about the price of a pint donated to WDC?

 Have fun and raise funds for WDC with a simple game - instructions on reverse.

 Visit whales.org/partyfortheplanet for WDC's plastics quiz or timeline to test your guests' knowledge for a donation to support our work.

**PLASTIC IN THE OCEANS
KILLS WHALES AND DOLPHINS.
PLASTIC IS #NOTWHALEFOOD.**

WHALE AND
DOLPHIN
CONSERVATION

A fun fundraising game with bottles - £1 a go to win wine or water!

Châteauneuf-du-Pape or Château de Tap?

1. Collect as many empty screw-top wine bottles (and tops) as you can - your uni bar can help.

2. You'll also need plenty of unopened wine bottles - set up a collection point for donations from students and staff.

WHALE AND
DOLPHIN
CONSERVATION

WDCC

3. Fill the empty bottles with water and label as:

Château de Tap - DO NOT DRINK!

(Add a tap symbol to the label if you're feeling creative!)

4. Wrap all the bottles in newspaper and place them on a table at the party.

5. Charge £1 a go to choose a bottle and unwrap it - will it be wine or water??
