If you are a student, RAG, club, or society looking to fundraise to support Whale and Dolphin Conservation, we've got everything you need to get started!

Simply select your fundraising challenge, set up your [JustGiving page](#) and [start sharing!](#)

Oh, and don't forget to [let us know](#) you are fundraising so that we can support you!

Urban Beach Clean (UBC)

Did you know that up to 95% of plastic pollution in our oceans starts off as litter in our towns and cities? You can help us make a real difference!

Organise your own UBC in your local town/city, set up your JustGiving page, take photos and encourage all of your friends to join in!

Download our **Volunteer Guide** to get started.

Fashion Show

Host a fashion show on campus or at a venue in your local town/city and create outfits from recycled materials. If your university has a fashion society, why not get them involved too!

Bake Sale

Why not set up a stall of some tasty treats within the university campus, or in your local town/city (with permission). You could even make it an awareness stand and create some posters/quizzes.

Art Exhibition

Host your very own exhibition of art made from recycled plastic. Perhaps you could organise an Urban Beach Clean and use your findings to create art or one big art installation. Don't forget to get your art society involved.

Party for the Planet

Host a plastic free party to raise money for whales and dolphins. Celebrate an occasion or make it a themed party. Make it a ticketed event with a small entry fee to help with your fundraising!

Pop-up Shop

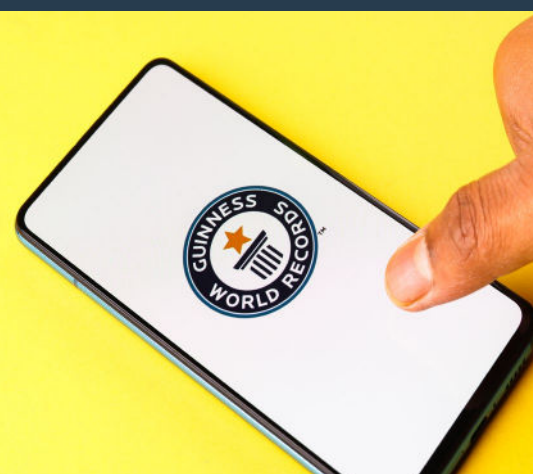

Arrange a drop-off point for unwanted or duplicate household items, course books and clothes for a pop-up charity shop.

Turn a room or office on campus (or in the town/city) into a shop for a day or a week and have fun sorting, selling and raising funds for whales and dolphins – and keeping unwanted items out of landfill and the oceans!

Fancy Dress

Host a campus fancy dress day – how many students/staff can you get involved, who can come up with the wackiest outfit and raise the most £££ for WDC!

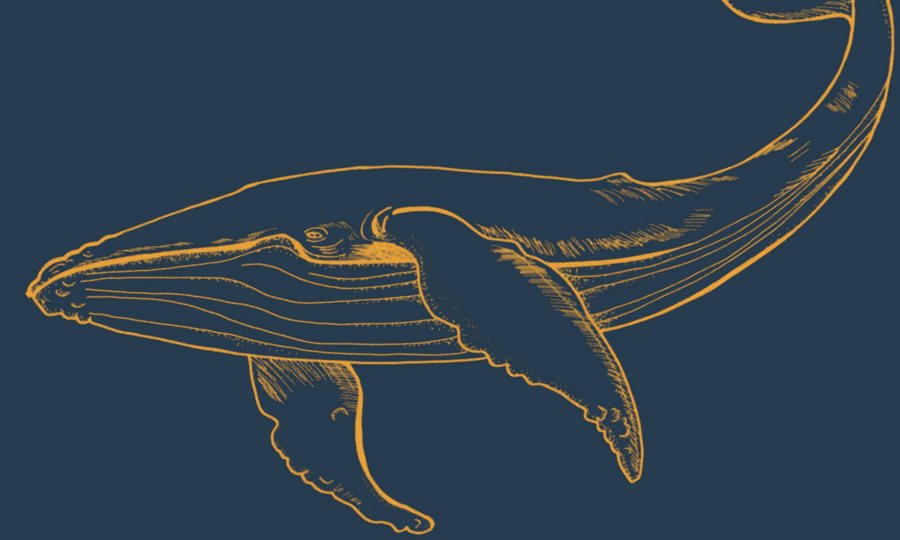

World Record

Check out the Guinness Book of Records to find a record students could set or break.

Why not make it an annual challenge by seeing if next year's Freshers can beat your record?

Challenge Events
